H.	K.	F.	Courses.	Winds.	Lee-way.	Remarks on board the 17 th Day of Aug Tuesday
1						All these 24 hours brisk gales & pleasant ship under all sail on the wind the weather was Breeze at 10 from a part of the crew arose upon the officers for the mates flog one by tying him in stern boat by the name of W. Haggates he was very unruly & used very unbecoming language the mate told him to be still he swore he would not & he would stop the first man that touched him the mate went down in the steerage & beat him & made a rope fast to him. Told him on deck tie him in the stern boat then 6 of the men came aft & attacked the officers with long sticks & scrub broom the Capt when the fray began was sick in his berth he ordered the mate to strike that man he now came on deck they told him forward & struck him with a stick the mate got his hand considerable hurt got them still about midnite
